House Bill 1099 would have allowed taxing districts by the vote of a 2/3rds majority of the governing board to revise their base amount of revenue payable from taxes on real property for taxes payable in 2015 or 2016. If a taxing district were to revise their base amount, it would terminate any existing opt out. This was pushed as an option for local governments to readjust from the current property tax cap. This bill died on the House floor on the close vote of 32-36.

House Bill 1193

Senate Bill 65 responds to a request made by the treasurers during the 2009 SDACO Spring Workshop. SB 65 delays the issuance of a new license plate design a full 5 year cycle. It is estimated that this will also return approximately four million dollars to local governments over the next few years until DMV needs to start replenishing the fund again. We have also been assured that there are enough plate numbers left for each county.

Senate Bill 175 would have changed the registration of ATVs to a \$20 annual registration fee which shall be deposited into a new off-highway vehicle trails trust fund. This would have taken approximately \$200,000 from counties. SB 175 also would have prohibited ATVs from traveling on hard surfaced roads unless approved by the local government with jurisdiction.
